LEEDS LS2 7EY

FIRST FLOOR 2035 SQ FT

## LOCATION

46 The Calls sits next to Centenary Bridge and the boutique hotel 42 The Calls, right in the heart of the popular Calls area of Leeds.

The Calls is a superb location in the city for offices and accommodation, with a regenerated waterfront and an attractive mix of old and new buildings for work, living and leisure. A variety of independent bars, restaurants and cafes give life to the streets and help create a genuinely friendly and interesting neighbourhood.

Whilst only a few minutes' walk from the main retail and office core of the city centre, the waterfront location of the Calls sets it apart from other areas of the city, appealing to professionals who value an attractive working environment away from the more corporate locations.

Over 20 businesses reside in 46 The Calls, and the building is popular with professionals in design, creative and digital industry, alongside those in other disciplines who like the independent and friendly feel of our offices.

Access by car from the motorways is straightforward via Crown Point bridge and the city centre loop road, and Leeds City train station is a 5 minute walk.
